< Thought> From the retrieved content, we can confirm that this is a image of the Xiaomi SU7. Next, we need to find out the price of the Xiaomi SU7.
<Search> Text Retrieval: Xiaomi SU7 price.
<Sub-Question> How much does Xiaomi SU7 cost?
Text Retriever
LLM
<Thought> According to the retrieved document content, Xiaomi Auto's first product SU7 has different models and configurations, so the prices are also different. The starting price is RMB 215,900, and the prices of different models are:
- Standard version: RMB 215,900
- PRO long-range version: RMB 245,900
- MAX version: RMB 299,900
In addition, it is mentioned that the price of the SU7 FE version is RMB 339,000, and there is a mention that the price of Xiaomi SU7 may be RMB 361,400. However, RMB 361,400 may be the price for a specific configuration or include other expenses.
<End> Final Answer: The starting price of Xiaomi SU7 is RMB 215,900, and the prices of different models and configurations range from RMB 215,900 to RMB 299,900. Certain versions such as SU7 FE are priced at RMB 339,000, and some configurations may even cost as much as RMB 361,400.
What's the price on this car?
